SIR KNIGHT'S CORNER

Sir Knights, January is Pro-Life month. 50 years ago this month, on January 22, 1973, Roe v. Wade was decided thus protecting abortion throughout the United States. I would like to ask all Sir Knights to take a moment and remember the 63+ MILLION babies aborted since that decision was made by the Supreme Court. That number exceeds the total population of most countries in this world with only 22 countries out of 195 having a higher population count.

Thankfully God's will was answered last year on June 24, 2022 when the Supreme Court ruled on Dobbs v. Jackson Women's Health Organization that the Constitution of the United States does not grant a right to abortion and thus gave the power to the individual states to regulate any aspect of abortion. Louisiana completely banned abortion that day, making it illegal to have an abortion in the state along with 12 other states. However, we must not forget that many states still allow abortion to take place and we must not stop praying for an end to this horrific act, but we can be proud of the steps taken thus far in the right direction.

FINANCIAL REPORT (RUSSELL RUH/PAUL ALLEN)

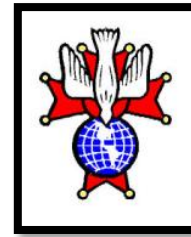

With half of the fraternal year passed, we are currently sitting at 28.2% of budget for income and 40.8% of budget for expenses. The income is expected to change as dues are now due and invoices have been sent out. Please check your email for your Assembly dues. We are also accepting Venmo for dues payment. The Venmo account to send dues to is @KC2052Assembly.
